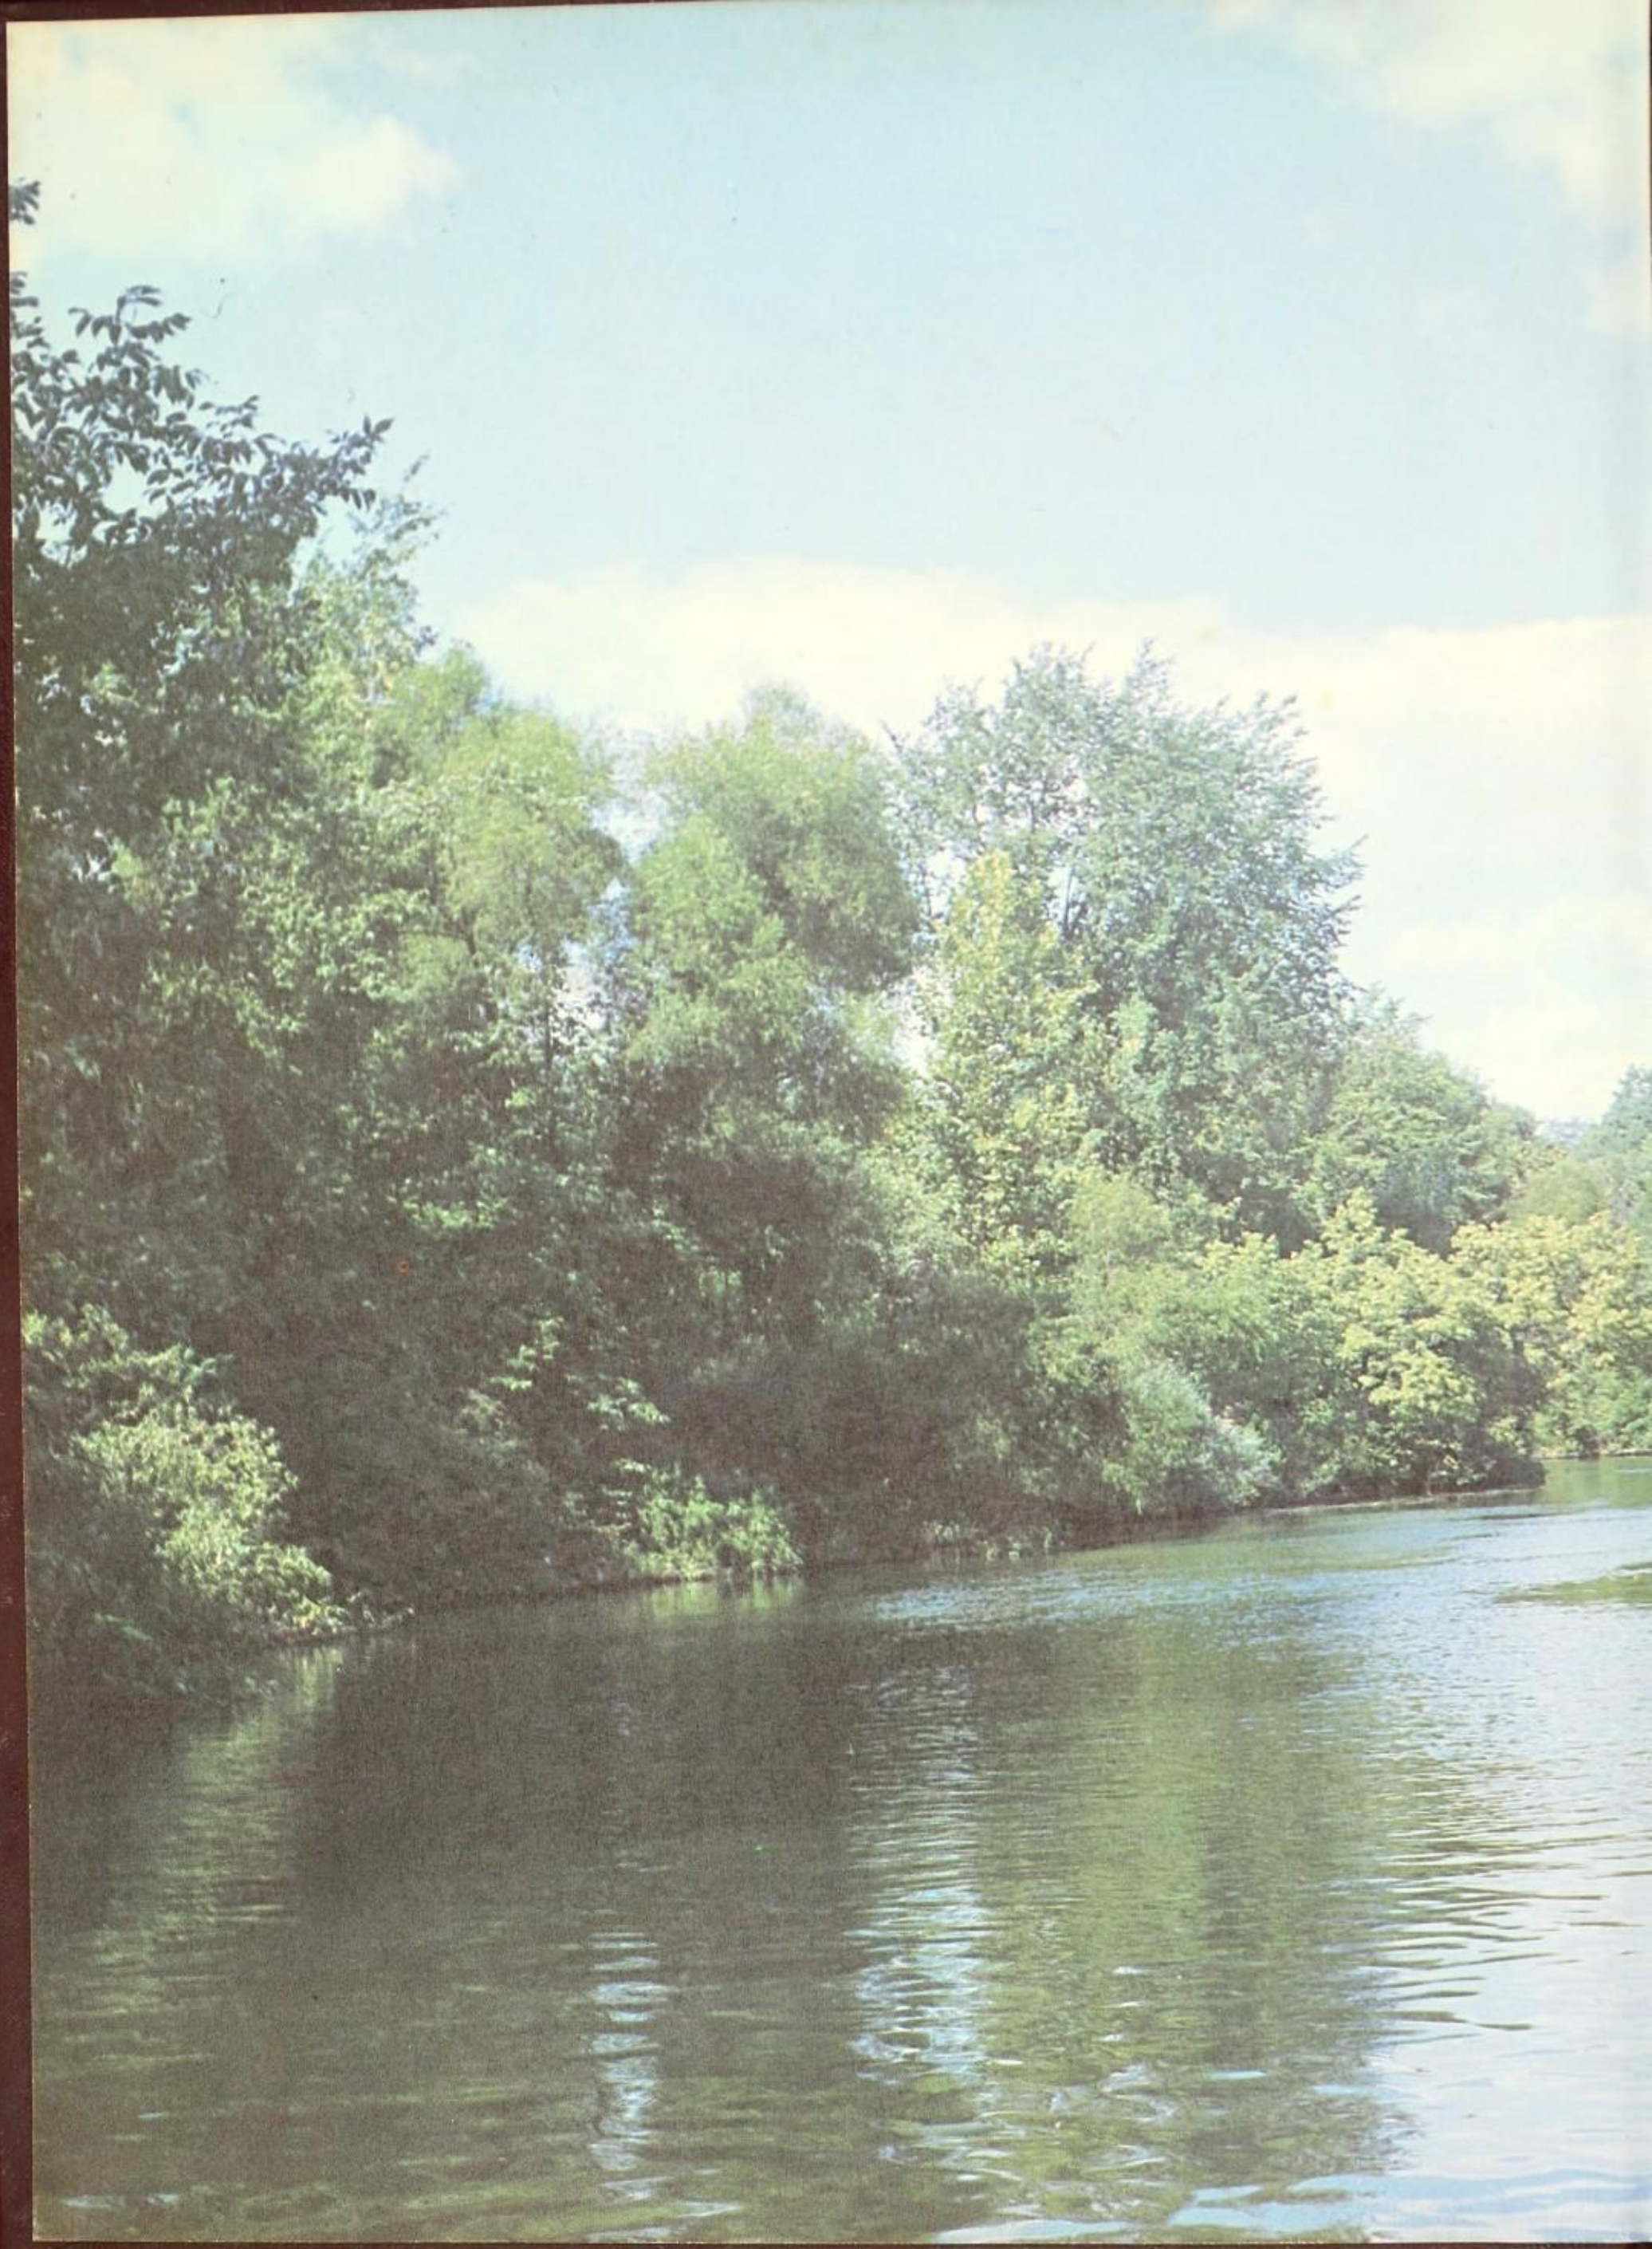
PANTHERLOG



Karen Falany, Editor

Editor's Message

To the Students and Faculty of Mirando City High School:

It was an honor for me to have been selected editor of the 1970-'71 PANTHERLOG.

One of our outstanding undertakings of our senior year has been to produce a book of memories, a collection of events and accomplishments, a book of honor and satisfaction for you to enjoy in later years.

As editor, I wish to express the heartfelt thanks of the entire staff to the faculty, advertisers and student body for their help.

May you always treasure the PANTHERLOG as one of your most valuable possessions.

Jam an individual—
not just a face in the crowd . . .
because J am each face in
that crowd. J am "me," not
"they" or "them" and J'm
only a part of "we."

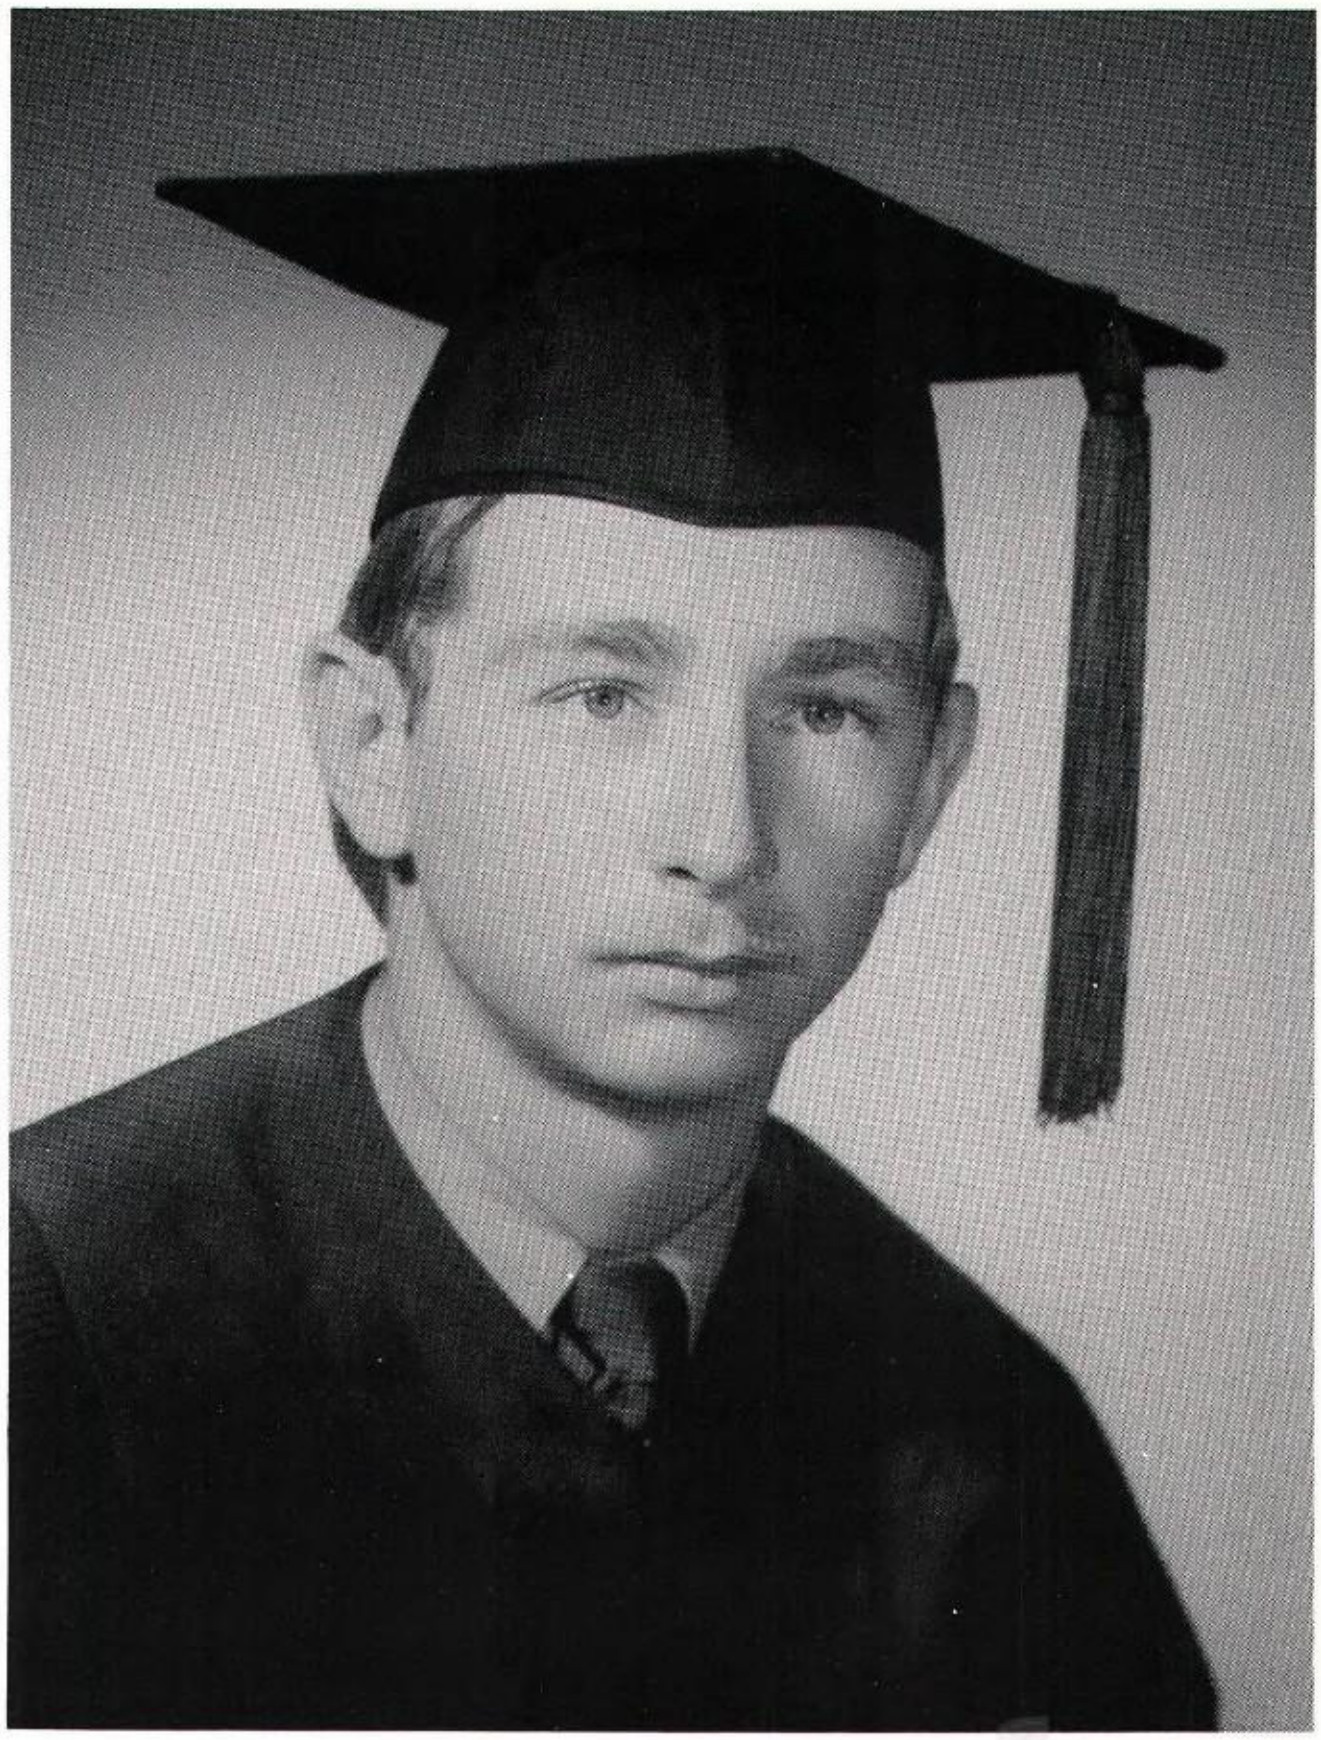
Elwood Townsend

In Memoriam

Elwood Townsend died in October, 1970, ending a long career of being a teacher and superintendent.

He served as superintendent of the Mirando City Schools for fifteen years. During that time, he worked with many students who will always remember him as a teacher and a good friend.

His memory will always be perpetuated in the minds and memories of the countless students with whom he worked, and there is no greater tribute to a teacher than this.



Billy Frazier

In Memoriam

William Lott (Billy) Frazier, 19, died on February 27, 1971.

Billy was active in sports during his four years in high school, having lettered in football and track. In football, he was named to the All-District Second Team during his junior year and was an All-District Honorable Mention his senior year. In track, he placed first at District in the high jump event his junior year. His last year, he placed first at District in the high jump and pole vault contests and went on to place fourth in the high jump event at Regional.

Billy was well-liked by young and old alike because his personality endeared him to his countless friends. He will be greatly missed in our community.

Superintendent's Message

MESSAGE TO THE CLASS OF 1971

Class of '71, as the graduation date approaches, I view it with mixed emotions. On the one hand I am sorry that our school must lose such a fine group of young people, but on the other hand I am proud of your achievements here and I am anxious that you should continue to progress in your chosen field.

You have known the friendship and the guidance of your teachers. You have benefited from the efforts of very capable board members who are interested in your welfare. You have learned many of the primary lessons of life—not only those that are written in the books but those other lessons which come as you work with others. You have been taught basic and essential concepts and principles that should be considered a life-long process. We hope that we have taught you not just knowledge but also wisdom in understanding and making intelligent use of facts.

Charles C. Larrison, Jr.

Charles C. Larrison, Jr.
Superintendent.

Principal's Message

I wish to express my thanks to the entire staff, student body, and to the citizens of the community who have worked so diligently to make this a successful school year.

To this year's graduating class goes our sincere wishes for a successful and gratifying future. We hope that each of you will realize the ambitions and aspirations you have developed while a student at Mirando City High School. May you put your trust in God and strive to be trustworthy men and women.

Instruction—
We think of teachers
as "they" and teachers
also see us as plural,
but we are each singular.
Even if we don't always
see "I to I," we try

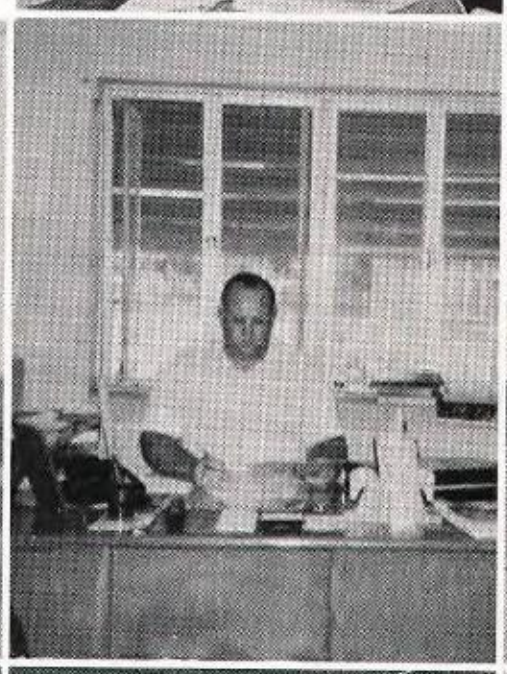
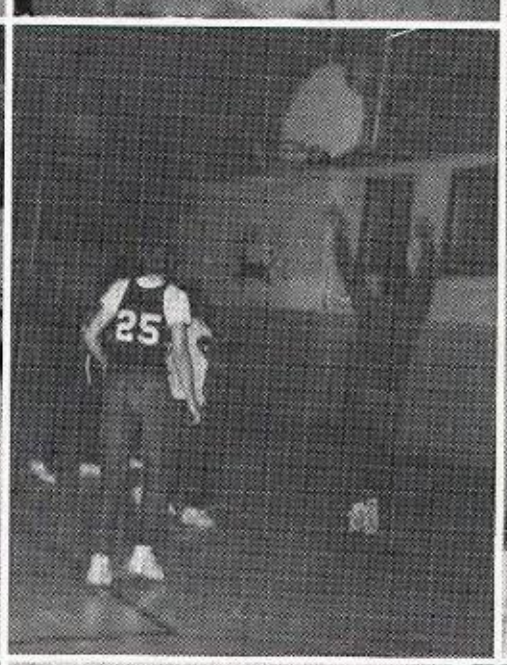
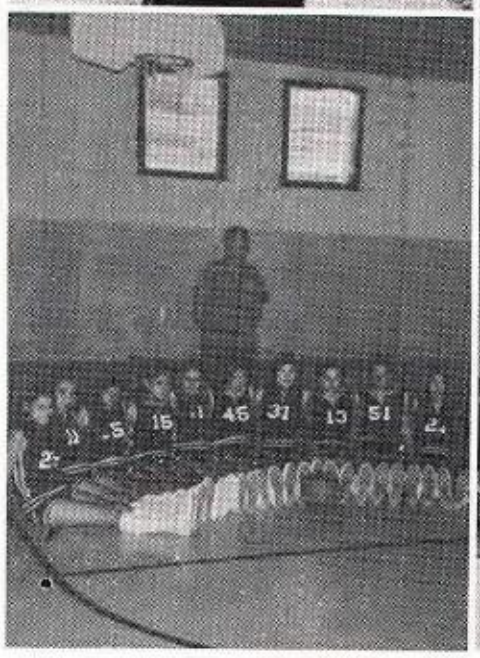
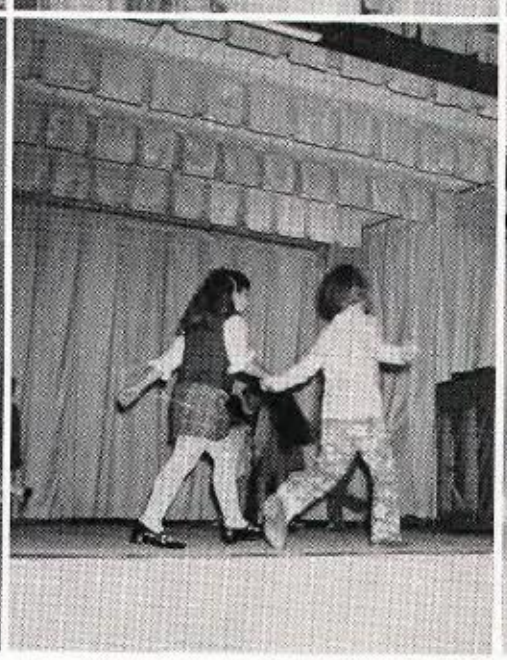
Snapshots

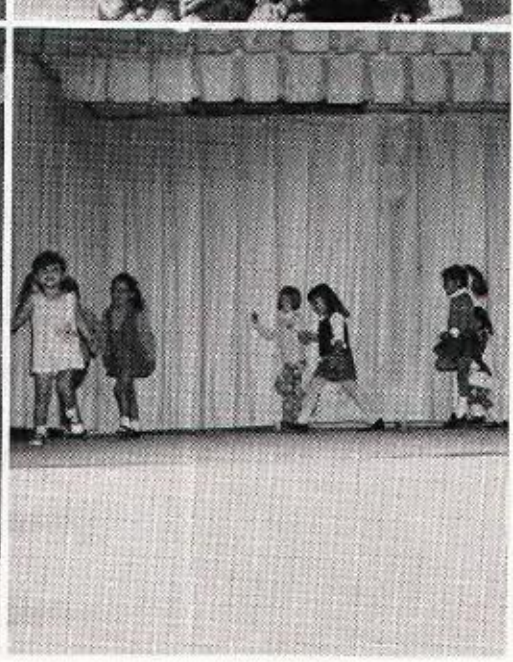
INDIVIDUAL—I am confused about the present and doubtful about the future, and I depend on my friends for understanding. Together we are the I's of Mirando who will change the world—or at least our part of it.



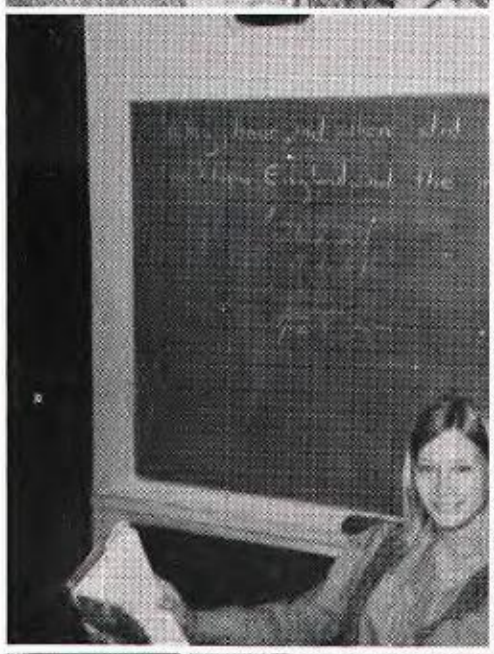


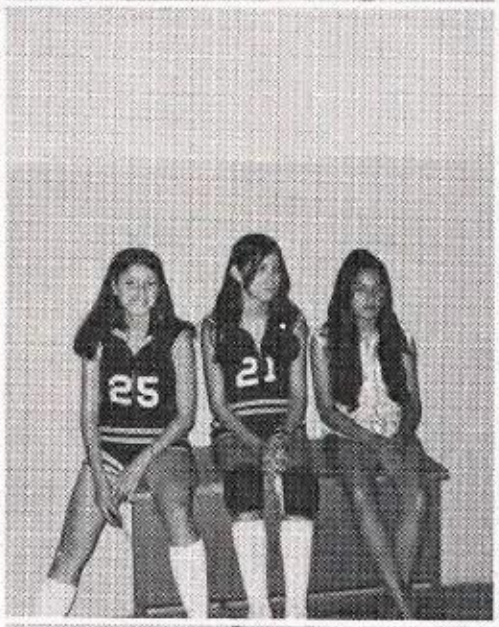


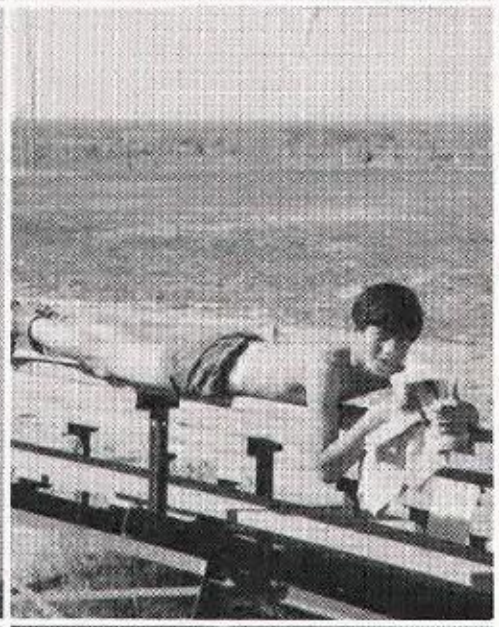


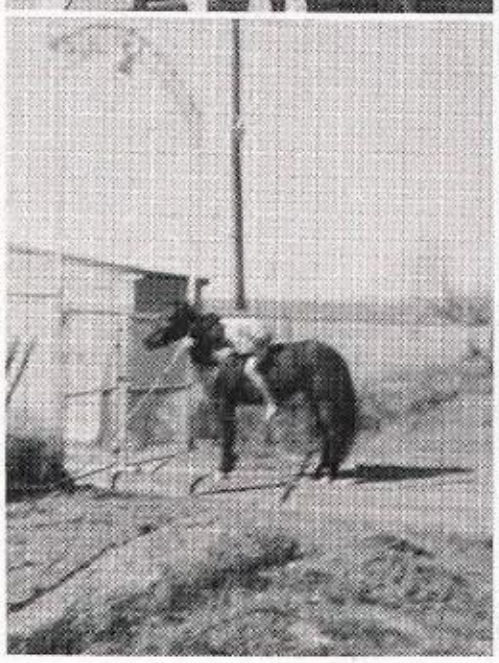


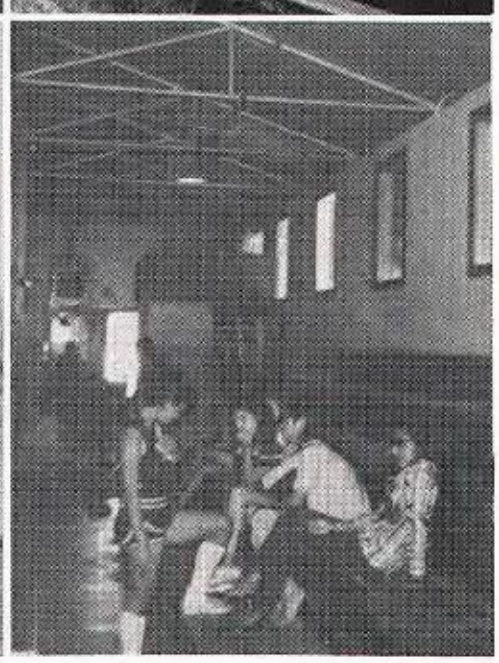
Snapshots











I'm not afraid to be myself, because I am what everyone always dreams of being. I am the one and only me.

But in the end I am
alone and I must decide
for myself which way to go
and why and when and
with whom.
